

## **TERMS OF REFERENCE FOR THE PROCUREMENT EXPERT, FOR THE KENYA DEVOLUTION SUPPORT PROGRAM-FOR-RESULTS.**

### **Background**

The Kenya Devolution Support Program is a \$287 million program, implemented by the Government of Kenya, to support county capacity in PFM, HRM, Planning and M&E, Civic Education, and Investment management.

The main components of the Program are:

- National government executed capacity building (implemented by MoDP, National Treasury, Ministry of Public Service, Youth and Gender Affairs, and the Kenya School of Government)
- Performance based grants to counties that meet access conditions, and that can be used for capacity building and for multi-sector investments

In order to support the functions under the KDSP, a small effective dedicated Secretariat will be established under the Ministry of Devolution and Planning (MoDP).

The Secretariat will be an important element in the institutional arrangement for the Program, and be supporting the technical committee in the overall coordination of the implementation of the activities. The Secretariat will report to the technical committee and the joint steering committee (JSC) co chaired by cog or representatives of participating counties. The Secretariat is a government function, but in the first years of implementation will be mainly be supported by experts contracted in by MoDP. The composition of contracted experts will be as follows:

1. Intergovernmental fiscal relations / grant operations expert (team leader for the consultant team)
2. Capacity building expert
3. M&E expert
4. Public financial management, chartered accountant or similar
5. Procurement expert with expertise in environment/social safeguards

### **Objectives of the Secretariat**

The KDSP Secretariat will provide administrative and technical support to the operation of the Program, and will perform secretariat functions for the KDSP Joint Steering Committee and KDSP Technical Committee.

Key functions include:

- Monitoring Program implementation, and flagging key policy issues to the KDSP Joint Steering Committee as necessary
- Supporting county governments in implementing the Program, including the assessment process, developing capacity building plans, accessing Capacity & Performance Based Grants, and using C&P Grants in compliance with the grant conditions and C&P Grant Manual (including reporting on use of grant funds)
- Supporting national government Ministries and KSG in implementing Program activities, including contracting and management of the Annual Capacity & Performance Assessment (ACPA), developing capacity building plans, implementing capacity building

activities, monitoring achievement of Program results and Program reporting

### **Task of the Secretariat**

The expert will support KDSP Secretariat with coordination of the technical assistance and capacity building to counties under the Program in a range of areas including financial management, procurement, and environmental and social management; commissioning and overseeing the independent annual performance assessment; communicating the results of the annual performance assessment to the Bank and obtaining the Bank's verification of it; making public the results of the annual performance assessment and the corresponding grant funds to be disbursed to counties mass media/web-pages; requesting and following up with the NT on the disbursement the funds to counties on time; collecting and aggregating data from the NT/CoB/counties to track the use of grant funds; and overall management of the Program, including preparing the **annual Program report**. On the reporting further details are provided below.

In fulfilling these responsibilities, the Secretariat will undertake the following tasks:

- *Coordination.* Day-to-day coordination of activities under the Program;
- *Annual capacity & performance assessments:* Management of the entire annual capacity and performance assessment process, including contract holding of the company, training of the annual capacity and performance assessment teams, QA, follow-up, monitoring etc. This will also entail presentation of the annual capacity building plans and budgets, and completion reports and expenditures, of all participating national government entities, reports of the annual capacity and performance assessment to the KDSP Technical Committee as well as the senior management of the MoDP, organization of meetings on ACPA, follow-up, etc.;
- *Program Management:* Responsibilities for Program Management Task as defined in the Program Operational Manual (POM) and responsible for up-dates, revisions and implementation of issues in the manual and related grant guidelines. Together with the NT, the KDSP Secretariat is responsible for development and support on regulations, manuals and legal framework related with the new grants. The Secretariat also provides support to the operations of the KDSP Technical Committee for discussions of reports of the ACPA, as well as handling of complaints, etc. and support to the Program Joint Steering Committee,;
- *Expenditure framework:* Ensure that annual Program expenditures by national government and under the county grants are consistent with the Program expenditure framework (in the Program Appraisal Document), that annual budget submissions supporting KDSP implementations (as well as expected disbursements) are consolidated across participating national government agencies, submitted and navigated through the annual budget process. Ensure that KADP results and actions are included in relevant departmental work plans, budgets, and performance contracts.
- *Coordination of the support on capacity building:* Review of the performance gaps as derived from the ACPA, and consolidation of the issues and linkages with capacity building providers in order to ensure linkages between needs assessment and actual capacity building service delivery. The Secretariat will also ensure linkages between the

operations on capacity building under the KDSP and the NCBF and its secretariat; Develop and ensure implementation of the capacity building support envisaged from MoDP and other agencies in the program; Ensure guidance to proper development and implementation of counties' Capacity Building Plans. The Secretariat will prepare cases for verification at the Technical Committee on the DLIs related to the capacity building support.

- *Reporting:* Support the M&E of the use of funds from the County Capacity & Performance Grants, including guidance to counties on issues related with investment menu, planning, budgeting and reporting. The Secretariat will also ensure that agreed reports are availed to relevant stakeholders in the GoK as well as to the World Bank and keep track on overview of disbursements and utilization of funds, review and overview of results from the disbursement linked indicators and the overall M&E framework of the Program as well as the annual progress report from the program encompassing use of funds, reports from counties on outputs, expenditures;
- *Procurement issues:* Procurement tasks related with the procurement of the ACPA, quality assurance, contract management and other activities related with the new grants.
- *Information:* Communication with the public, press, media, etc.
- *Secretariat services:* Establishment of, administrative, logistical & secretarial services support to and effective operations of the KDSP Joint Steering Committee and Technical Committee and ensure effective operations of the Steering Committee;
- *Consultancies:* Timely recruitment of the Annual Capacity & Performance Assessment Consultant, processing of results and allocation of funds. Assist the Ministry in preparation of the KDSP annual budget for adoption;
- *Monitoring:* Monitoring progress in and subsequently supporting implementation by various agencies on the DLIs;
- *System development:* Develop systems and procedures in coordination with relevant agencies where required and provide guidance to counties on procurement, ethics and anti-corruption, environmental and social management system, financial management and reporting and monitoring, evaluation and reporting systems and grant issues related with the eligible investments from the grants;
- *Guidelines and manuals:* Development, publication, dissemination (hard copy, workshops & website download), training, updating of the Program Operations Manual (POM); monitoring and reporting on implementing agencies compliance with the POM;
- *Procurement:* Securing and disseminating the World Bank Listing of Ineligible Firms & Individuals (debarred list) to all implementing agencies undertaking procurement with KSDP funds every six months (in June and December).
- *Links with WB:* Support for and participation in World Bank six monthly supervision missions;
- *Regular reports:* Quality control and Consolidation of progress and financial reports.

## Reporting tasks

The KDSP Secretariat will provide the following information to the Technical Committee, Steering Committee, and MoDP for onward sharing with the Council of Governors (CoG), core GoK agencies .

- Summary and consolidation of the counties' capacity and performance assessment results and the corresponding disbursed amounts based on the formula for the grant (see formats in the Capacity and Performance Assessment Manual). This will be based on the submission of reports by the contracted company, with sufficient QA from the Secretariat and the Technical Committee;
- Overview of the Program's capacity building plan for the centrally driven capacity building support and county level capacity building activities (see formats in the capacity building Manual);
- Progress report on activities executed under the national government capacity building plans and progress reports on the capacity building activities executed by the counties (using formats for reporting from the capacity building Manual);
- Summary of the project expenditures and outputs on counties' service delivery investments (standard formats in the Capacity and Performance Grant Manual (CoB reports)). For outputs this will make use of the form in CIMES system, see Appendix 1 – Capacity and Performance Grant Manual. These reports will be compiled and consolidated by the KDSP Secretariat;
- Review of the progress against the KDSP M&E framework; see Annex 1 to the POM.

Every year the MoDP coordinated KDSP Secretariat will compile these reports in an **Annual Program Report** within 3 months for the end of each FY.

*On Program Reporting* – this will encompass the Program M&E, including monitoring of the Program outcome indicators and impact assessment; through the annual progress reports; requested Financial Monitoring Reports; consulting services for the preparation and review of documents for a KDSP Review; and Program Completion Reports and workshops for final evaluation of the Program. Preparation of a follow on support (next phase) prior to closure of the Program is also envisaged under the Program.

### **Composition of the KDSP Secretariat**

The Secretariat will be composed of a small supported by a dedicated team of full time experts. As a minimum this will cover the following positions in addition to the Program Coordinator (who will be from GoK, MoDP):
